

Curriculum Vitae Prof Francesca Santilli

Personal information

Name: Francesca Santilli, MD, PhD

Date of birth: 22.08.1975 in Pescara, Italy

Nationality: Italy

Address: Department of Medicine and Aging, and Center for Advanced Studies and Technology,
Via Polacchi, 66100, University of Chieti, Italy.

ORCID id: <https://orcid.org/0000-0002-4593-905X>

Education and Qualifications

July 2000: **Medical degree** (cum laude), University of Chieti "G. d'Annunzio", Italy

May 2001: **International University Master in Molecular Medicine, Genomics and Proteomics**, at the University of Pavia, Istituto Universitario di Studi Superiori, European School of Advanced Studies In Molecular Medicine and Genetic Epidemiology

2001: **Medical Professional Qualification**, University of Chieti "G. d'Annunzio", Italy

2002-2003: **University Master in Ultrasound** in Internal Medicine

May 2004: **National Diploma in Clinical Ultrasound** (SIUMB)

22 November 2005: **Board Certification in Internal Medicine** (cum laude), University of Chieti "G. d'Annunzio", Italy

25 November 2005: **Fellowship as PhD Research Student** in Medicine and Aging Science, University of Chieti "G. d'Annunzio"

December 2008-August 2015: **Assistant Professor of Internal Medicine**, Chieti University School of Medicine, Chieti, Italy.

15 December 2009: **PhD in Medicine and Aging Science**, University of Chieti "G. d'Annunzio", Italy

December 2013: **National Scientific Habilitation for Associate Professor (06/B1, MED/09)**.

2013-present: **Faculty Member of the PhD Program in Translational Medicine, University of Chieti**.

1 September 2015: **Associate Professor of Internal Medicine**, Chieti University School of Medicine, Chieti, Italy.

April 2017: **National Scientific Habilitation for Full Professor (06/B1, MED/09)**.

Employment and Academic Ranks

1 September 2015-present: **Associate Professor of Internal Medicine**, Chieti University School of Medicine, Chieti, Italy.

2017-present: **Head, Haemostasis and Thrombosis Unit**, Center for Advanced Studies and Technology, University of Chieti, Italy.

December 2008-Present: **Clinical Consultant** at the Department of “Clinica Medica”, Chieti University Hospital.

March 2019- Present: **Head of the Diabetes Clinic**, Department of “Clinica Medica”, Chieti University Hospital (Director: Prof Francesco Cipollone).

Honours and Awards

1999: Trainee Travel grant from the University “G. d’Annunzio”, Chieti in agreement with the University of Toronto, as “**Visiting student**” at the Department of Endocrinology of the Hospital for Sick Children, University of Toronto, Canada.

2000: Trainee Travel grant from the University “G. d’Annunzio”, Chieti in agreement with the **University of Toronto**, to perform the **Research Project** “Effect of intensive diabetes management or ACE inhibitors on IGF-1 and TGF β urinary excretion in children with type 1 diabetes” at the University of Toronto, Canada.

February-March 2001: **Fellowship** from the “**Istituto Universitario di Studi Superiori, European School of Advanced Studies in Molecular Medicine and Genetic Epidemiology, University of Pavia**”, to perform the International University Master in Molecular Medicine, Genomics and Proteomics.

October 2006: **Investigator’s Award SIMI/Aventis** 2006 (8000 Euros) for the **Research project** entitled: “A multicenter, randomized, double-blind, placebo-controlled study of the effects of acarbose on inflammation, oxidative stress, endothelial dysfunction and platelet activation in patients with early type 2 diabetes”.

May 2009: **Investigator’s Award: Premio Mauro Bartolo SIAPAV** for the **project**: “A Longitudinal Study of the Time-Course of Platelet Activation During the Onset and Resolution of Deep Vein Thrombosis: implications for the Recurrence of Venous Thromboembolism and Occurrence of Post-Thrombotic Syndrome”.

2012: Best Oral Presentation in **Sport Medicine**, 113° Congresso Nazionale **SIMI**: “Effects of High-Amount-High-Intensity Exercise on Lipid Peroxidation and Platelet Activation Markers”.

About twenty **Young Investigator Awards** for best Oral presentation (ISTH, ISA, SIMI, SISA).

Listed in **Top Italian Scientists**: http://www.topitalianscientists.org/top_italian_scientists_VIA-Academy.aspx?Cerca=santilli

2020: **Chairperson of the Cardio Council**, which is a Bayer-supported educational initiative, convened with the goal of bringing together experts from around the world with a shared interest in the prevention of cardiovascular disease, in an advisory capacity.

Memberships in Scientific Societies

Member of the Editorial Board for the Journals: European Journal of Internal Medicine, ISRN Inflammation, Journal of Immunology Research, International Journal of Molecular Sciences.

Member of the Reviewers for projects within the Italian Ministry of University and Research

Member of the Reviewers for VQR

- 2002-: Member of the Italian Society of Internal Medicine (SIMI).
- 2004-: Member of the Italian Society for the Study of Atherosclerosis (SISA).
- 2007-: Member of the Italian Society of Angiology and Vascular Pathology (SIAPAV).
- 2008-: Member of the **Working Group on Thrombosis** of the European Society of Cardiology (ESC).
- 2010-: Member of the Regional Committee SISA
- 2010-2013: Regional referent for Abruzzo Collegio dei Docenti ME09 di Medicina Interna (COLMED)
- 2008-2012: Regional referent for Abruzzo Giovani internisti SIMI (GIS)
- 2008: Member of the **Gruppo italiano per lo Studio delle Piastrine** (GSP)
- 2011- : Member of the Associazioni Regionali Cardiologi Ambulatoriali (A.R.C.A.).
- 2017-: Member of the **Working Group on Thrombosis** of the Italian Society of Cardiology (SIC)
- 2018-Member of the Italian Society of Diabetology (SID)
- 2019-2021: **President** of the Regional Committee of the Italian Society of Internal Medicine.

Advisory Boards

2020-2022: Member of the **Aspirin Cardio-Council**, which is a Bayer-supported educational initiative, convened with the goal of bringing together experts from around the world with a shared interest in the prevention of cardiovascular disease, in an advisory capacity.

2020: Chairperson of the Aspirin Cardio Council

SCOPUS Parameters (March 28, 2020)

- **Total number of citations: 3465**

- **H Index: 33**
- Besides, she has published **Book Chapters** and a large number of **abstracts** on International and National Journals.

Competitive Funded Projects as Principal Investigator

2013-2015: **Grant from the MIUR, Principal Investigator for the PRIN 2010**, protocol n. 2010JS3PMZ entitled “Novel Aspects of the Pathophysiology of Diabetes Mellitus and Potential Therapeutic Applications”. Duration: 36 months. Scientific Coordinator Professor Davide Lauro. Funding: 69000 Euros.

2015-2019: **Grant from the Ministry of Health** within the Young Investigators Grant Program (**Ricerca Finalizzata Giovani Ricercatori**), **Principal Investigator** with a project entitled: “Determinants of the interindividual variability in responsiveness to low-dose aspirin in patients with and without type 2 diabetes: analysis of platelet proteomics and microRNA profile”. Funding: 230,367 euros.

2019: Competitive Investigator-Initiated grant **INNOVARE 2018 (INflammation and ImmunoNology COmpetitiVe GrAnt ProgRam for REsearch)**, for the research project entitled “Effects of Tofacitinib on platelet activation in patients with Rheumatoid arthritis”. Funding: 46800 euro.

Other competitive Funded Projects

January 2005-2009: **Member of the UdAnn Team**, Partner n.5, University G. D'Annunzio Foundation (Coordinator Prof. Carlo Patrono) within the Project “Eicosanoids and nitric oxide: mediators of cardiovascular, cerebral and neoplastic diseases” (**EICOSANOX**), from the **European Union, FP6**.

2011-2013: **Personnel within the CariPlo Biomedicina 2011** project entitled: “**Platelet Activation in Type 2 Diabetic Patients with Stable Coronary Artery Disease: Insights into their Thrombotic Propensity using a Genome-Wide Approach**”, in collaboration with the Universities of Milan and Rome Cattolica del Sacro Cuore.

Other Sources of Funding

2016-2019: **Unrestricted grant from Bayer**, for studies on the role of platelet activation in the development of cognitive decline in HIV-positive patients.

Clinical activity

- 2000-2005: Resident in Internal Medicine at the Departments of Clinica Medica and Patologia Medica, Ospedale Clinicizzato “SS. Annunziata”, Chieti.

- May-November 2006: Clinical Fellow at the Department of Internal Medicine of “Villa Pini d’Abruzzo” Hospital, Chieti (Director, Dr. Francesco Proietti).
- December 2006-February 2008: Clinical Fellow at the Haemostasis and Thrombosis Department, Pescara Hospital (Director, Prof. G. Davì).
- December 2008-present: Clinical Consultant at the Department of Clinica Medica, “SS. Annunziata” Hospital, Chieti (art. 8 Agreement ASL/University “G. d’Annunzio”) with clinical activity in the Diabetes Clinic.

March 2019-present: Head of the **Diabetes Clinic**, Department of Clinica Medica, “SS. Annunziata” Hospital, Chieti (Director: Prof Francesco Cipollone).

Teaching activity

Teaching appointments in **Internal Medicine, Schools of Medicine, Dentistry, Pharmacy, Physiotherapy**, University “G. d’Annunzio” Chieti.

Teaching appointments in **Internal Medicine** at the **Schools of Specialization in Internal Medicine, Geriatrics, Allergology and Immunology, Anesthesiology, Emergency Medicine, General Surgery, Paediatrics**, University of Chieti “G. d’Annunzio”, Chieti, Italy.

2014-15-present: Teaching appointment **PhD Program in Translational Medicine**, University of Chieti “G. d’Annunzio”, Chieti, Italy.
